this richly illustrated volume presents the remarkable results of the italian archaeological mission s investigations at the site of the walled town of barāqish in interior yemen ancient yathill of the sabaeans and minaeans between 1986 and 2007

in historical aspects of standard negation in semitic ambjörn sjörs investigates the grammar of standard negation in a wide selection of semitic languages the bulk of the investigation consists of a detailed analysis of negative constructions and is based on a first hand examination of the examples in context the main issues that are investigated in the book relate to the historical change of the expression of verbal negation in semitic and the reconstruction of the genealogical relationship of negative constructions it shows how negation is constantly renewed from the reanalysis of emphatic negative constructions and how structural asymmetries between negative constructions and the corresponding affirmative constructions arise from the linguistically conservative nature of negative vis à vis affirmative clauses

the volume contains forty one papers dedicated to the distinguished iranianist by colleagues friends and former students and a complete bibliography of the dedicatee the papers deal with a variety of themes relating to zoroastrianism manichaeism christianity buddhism and the multifarious religious history of pre islamic iran approached mainly but not exclusively from a historical and philological point of view the volume also contains a number of previously unpublished or untranslated religious texts as well as re editions and new translations the papers cover all old and middle iranian languages new persian and other new iranian languages

in this collection an international group of specialists considers the nature of wisdom in relation to the thought world of the ancient near east and its impact on the rest of the old testament in addition to full coverage of the wisdom books and other literature most frequently thought to have been influenced by them thematic studies also introduce the principal comparative sources among israel s neighbours and discuss the place of wisdom in israelite religion theology and society
