over one hundred presentations from the 35th annual charleston library conference held november 4 7 2015 are included in this annual proceedings volume major themes of the meeting included streaming video analysis and assessment demand

driven acquisition the future of university presses and open access publishing while the charleston meeting remains a core one for acquisitions librarians in dialog with publishers and vendors the breadth of coverage of this volume reflects the fact that this conference is now one of the major venues for leaders in the publishing and library communities to shape strategy and prepare for the future almost 1 800 delegates attended the 2015 meeting ranging from the staff of small public library systems to the ceos of major corporations this fully indexed copyedited volume provides a rich source for the latest evidence based research and lessons from practice in a range of information science fields the contributors are leaders in the library publishing and vendor communities

in the new millennium an incredible opportunity has appeared to the body of christ the new self publishing paradigm it is my belief that the lord intends to use this gift as a tool to disciple the church and to plant seeds for the final harvest only time will tell about this regardless the role of christian author in the midst of all that is going on in the world needs careful examination if the lord has called you to write what does that mean you have been called by the lord of lords to do this work he has given you to do that s real serious this is god talking to you what does he expect from you how are you to respond what skills will you need how will you get your books to sell the questions keep appearing before our eyes one after the other as we struggle to make sense of it all so who am i to try and help one compelled to write about these issues and to encourage christian authors to walk the strait and narrow path i ve been teaching scripture since 1974 which is almost as long as i have been working for publishers and designing books i was a teaching pastor for over a decade but none of that matters what matters is how you react to the message

scientists predict the earth is facing 40 to 60 years of climate change even if emissions of carbon dioxide and other global warming gases stopped today one inevitable consequence of the greenhouse gases already in the atmosphere will be an increase in the frequency and severity of natural disaster events global warming natural hazards and eme

governments the world over want to spend more on infrastructure the benchmark for developing countries is 7.8% of gdp per annum to lay the foundation for sustained and inclusive growth india is no exception it realizes that more needs to be spent on infrastructure for the country to regain its position as the fastest growing large economy in the world while india spent about 7.2% of its gdp on infrastructure during the eleventh plan period 2008-12 this number has recently come down to approximately 5% the backdrop of the book is the ambitious national infrastructure plan nip the task force report on the nip was finalized in april 2020 since infrastructure investment is crucial to faster and inclusive growth it is timely that the nip is actioned now given that the indian economy contracted to -7.3% in the financial year 2020-21 this book discusses various aspects of infrastructure financing in detail with a major section devoted to green financing of infrastructure

this book explores the role of regulatory bodies and their emergence as the fourth branch of governments it brings together professionals academicians and experts working in regulatory sector to present a foundational text on regulatory regime in india from case studies to theoretical interventions the book brings together a wide range of insights on an important but often neglected aspect of governance it examines a range of themes including the need for regulatory policy in a post covid world regulatory excellence impact of regulatory assessments regulation of hazard competition commissions regulation of digital assets stakeholder interests and investor activism and anti trust laws the volume will be of great interest to scholars and researchers of law and governance public policy and south asian studies

a fortnightly bulletin on financial and political trends
